BRIGHTON & HOVE BLACK HISTORY

How much of the mystery have we solved?

Read all the information on the certainty line and go back to your questions……

- How many of your questions have you answered?
- Which questions were the hardest to find answers about?
- Why do you think this is?

New information from the past might still turn up

Can you think of anywhere else we could look for evidence?

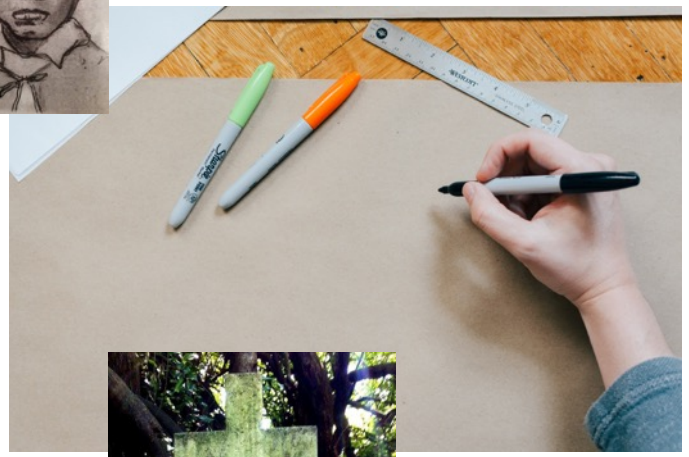

Thanks for your help researching Tom's story

Using your evidence try to explain what we know about Tom Highflyer's life to someone in the class

Remembering Tom

Brighton and Hove Black History Project needs to make an information board about Tom next to his grave.

Can you help?

Please design a board and write down what we know about his life. Remember to use tentative language if you are not sure about you claims.
How will you keep the visitors interested in reading?

Tom could have been....
May have been....

It is likely that
We think that...

We know that Tom....
This was clearly because

Not very sure

Almost certain

A brief history of Tom's life
